5/16/11

Dear Judge Jame Brenstein
 IN regards to the 5/19/11 Date were
 it is that I produce to the defendants
 Counsel a written narrative statement
 setting out point by point the specific
 facts expects to prove at trial a
 description of the defendants actions
 that I believe ~~was~~ violated my
 rights, as well as a description of
 the harms I claims to have suffered
 as a result witnesses, copies, documents,
 photographs or other records. I'm asking
 for a 60 day extension so I can
 better prepare for what's needed in
 order for this case to move along
 at a faster pace. Also I will like
 to make note pertaining to the 4/27/11
 conference I had not yet received a
 copy of the report of my arrest and
 Detective Chavers memo Book. IN
 order for me to comply with your
 orders to the fullest extent I will
~~need~~ need the copies. So I request
 the the conference be rescheduled
 I dont think the defendants have complied
 with your orders

I thank you kindly in
 this matter
